

The Svalbard Express

Our historic voyage from 1968, sailing to the edge of the world, revived for the modern traveller. You'll journey in comfort aboard beautiful MS Trollfjord, sailing along the scenic Norwegian coast north to Spitsbergen, the largest of Svalbard's islands.

MS Trollfjord

The ship is named after the spectacular Trollfjord in Vesterålen. Inside she provides spectacular comfort in wide-open facilities and interior design that makes extensive use of Norwegian wood and stone.
